

Room 1 - P1/2

Term 2 October- December 2023

Literacy - We have been using our sounds as we read and write about our personal experiences.

We have been using our listening skills to help us ask questions about the story we are listening to.

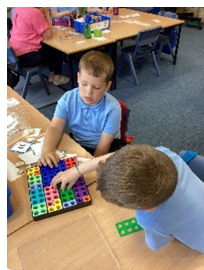

Numeracy

P1 have been ordering numbers to 10 and have begun to add to 10.

P2 have been learning to count in tens to 100 and have been begun to add to 100.

All the children have been working with shapes and learning to measure.

Health & Wellbeing

In PE we improved our racquet skills by balancing, throwing and hitting beanbags and tennis balls.

We have also been learning Scottish dances. We have been practising our steps and formations during the Military Two Step and the Grand Old Duke of York.

Learning Across the Curriculum

We have learned about Harvest and the produce that is grown in Scotland.

We created our own vegetables by using broccoli to print and wool to wrap, creating fantastic texture.
