

## Room 2 – P3/4

### Term 2 October - December 2023

#### Literacy

In Room 2, we have been learning to write instructions. We have learned to use time words, bossy verbs, and illustrations to make our instructions clearer. We enjoyed writing instructions about how to catch a dragon and how to decorate a Christmas tree.

#### Numeracy

In Room 2, we have been learning to collect and display information in different ways. We have learned how to draw a bar graph and to sort objects and shapes using a Venn diagram.

We have also been practising our times tables.

#### Health and Wellbeing

We have been learning some Scottish dancing with Room 1. We have learned the Military Two Step and we are enjoying working with a partner to learn the dances.

We have also been developing our Tennis skills this term. We have learned to pass the ball to a partner using a tennis racket.

#### Learning Across the Curriculum

This term, we had our showcase and we enjoyed sharing our learning about "How to Train your Dragon". We drew dragon eyes, made our own Dragon eggs, created sock puppet dragons, and wrote our own manuals for how to train a dragon.

We have also been working hard to create festive artwork for our classroom and the gym hall. We have used the visual elements of line, colour, texture, and shape to create lots of different kinds of artwork. For Outdoor Learning we used leaves to create a wreath.
