

Room 1 - P1/2

Term 3 January-April 2025

Literacy -

In Writing, we have been creating our own story endings and P2 have been creating a middle part to their stories too.

We like to share our stories with each other and some of the older children too.

Numeracy

P1 have been adding and subtracting and are now learning numbers to 20.

P2 have been learning to multiply and are about to divide.

All the children have been working with coins and notes; making amounts and working out change.

Health & Wellbeing

In PE we have been doing Gymnastics with rolls, balances and jumps.

Chris from Larkhall Thistle came for 4 sessions to improve our football skills! - We loved it!

We have also been learning about healthy and unhealthy foods.

Learning Across the Curriculum

This Term we have learned about Katie Morag- An Island Life.

We have investigated the differences and similarities between our own lives and how Katie Morag lives on Struay.

We had a great Showcase to demonstrate what we have learned.
