

Room 2 – P3/4

Term 3 January – April 2025

Literacy

In Literacy this term, P3/4 have been working really hard to use past and present verbs in their writing. They used this learning to create wonderful recounts written in the past tense of their trip to Vikingar!

Numeracy

Primary 3/4 focussed on subtraction and were using their knowledge of counting backwards and subtracting to play some games in Outdoor Learning.

We have also been learning about multiplication and have enjoyed skip counting in 3's and 4's.

Health and Wellbeing

In P3/4, the class have been focussing on problem solving and communication skills as part of a team. The class worked in small groups to create longships and longhouses with different materials in our Outdoor Learning garden.

Learning Across the Curriculum

Room 2 have been learning all about the Vikings. We enjoyed our amazing trip to Vikingar! where we learned all about the longhouse, Valhalla, the Battle of Largs and so much more.

We have enjoyed creating resources to use in our upcoming showcase where we can't wait to share our knowledge with the audience who come.
