

Room 3

Term 2 October - December 2024

Literacy

During writing we have been developing our report writing skills. As part of this we wrote reports about aliens and the Battle of Bannockburn. We have also had opportunities for free writing where we can write about anything we like!

Numeracy & Mathematics

This term the school has been trialling the online Numeracy programme Sumdog. It is a great way to practise our Numeracy skills and build our confidence as well as being lots of fun. Everyone is keen to try to reach the top of the leaderboard.

Health & Wellbeing

We have been focussing on our school values of respect, kindness, teamwork, determination and hard working. We can describe and show what these look like.

We have also been participating in circle time to share our thoughts and feelings.

Learning Across The Curriculum

Learning about the Scottish Wars of Independence has been lots of fun as we mix Art, Technologies, Literacy and Social Studies. Our highlight was a visit to Stirling Castle, everyone wanted to see where the Battle of Stirling Bridge happened.

Merry Christmas and best wishes for 2025 from everyone in Room 3.
